 "To see the difference a new smile can
 make, not only to the mouth but the whole
 face, is hugely rewarding."

GET YOUR man in a lather this Valentine's Day with the Stella + Marco men's skincare range. Inside the sleek masculine packaging lies natural skincare, free of harmful chemicals, but strong enough to get the job done. Founders of Stella + Marco, Lisa Rose and Melinda Stevenson, found their tradesmen husbands wanted simple, masculine skincare that rid them of the day's work without

damaging their credibility with girly, heavily perfumed products. The Australian-made capsule range consists of products like Bare Balm for lips with peppermint fresh scent, Barely Irritated After Shave Balm and Barely Aging Anti-Aging Serum - an oil-free gel designed to boost hydration. Available to purchase online.
